Wisconsin	23-Mar	Effective 3/23, DMV service centers will only serve new driver license or identification card applicants. All applicants are being encouraged to start their application online, submit it electronically and make an appointment. DL and ID card applicants without an appointment will served in order of their arrival in between appointment times. All customers appearing for in-person service with a vehicle registration or title transaction will be redirected to complete their transaction online, via the mail, or with a 3rd party provider.	Beginning 3/18, DMV service centers are limiting the number of persons that can be inside the office at any given time to enforce social distancing standards. Customers with vehicle and title transactions will be encouraged to complete their business via other available delivery methods but will be served if they choose to stay.		All driver skills tests are cancelled beginning March 18th. DMV is currently reviewing opportunities (via 343.75 or other enabling legislation) to potentially waive tests for persons that have completed driver's education and behind the wheel. Waiving tests would allow permitted drivers to obtain a regular license in a timely manner if training documentation is provided.	All driver licenses, instructional permits, CDLs and CDL permits are temporarily extended for 60 days. This extension is notated on the driver record for law enforcement reference.		The DNR was contacted on 3/18 to request their concurrence in the temporary suspension of Wisconsin's motor vehicle emissions inspection program.
